ENERGY EDUCATION REQUEST FORM

Does your home have leaky windows? Is your home drafty? Do you spend too much money trying to keep warm? Do you want to learn more about how to save energy in your home?

If the answer is yes to one or all of these questions, Community Action Team has a program to help you- the Community Action Team Energy Education program. If you sign up for the class, Community Action Team will be able to supply you with high quality window kits and an Energy Savings Kit full of CFL light bulbs, sink aerators, nightlights and other energy saving devices. You can also sign up for the weatherization program (insulation and health and safety repairs) at the class. **If you are interested, please fill out this form and the window kits request sheet on the back of request form. Return the form with your energy assistance application.** The Community Action Team Energy Education Specialist will contact you to schedule your class and answer your questions.

Date

Name

Address

City, State and Zip Code

Phone

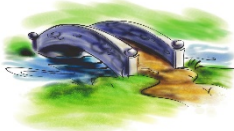

Provide any other information that you think might be helpful to the energy education specialist in the scheduling of your class. (For example: I have no transportation to drive in to a class). Use the back of this form if you need additional space.

CAT, CCA, CARE staff: Please send completed forms to Kim Bohrer, Energy Education Specialist. Mail: Community Action Team, Housing and Weatherization Programs, PO Box 566, Astoria, OR 97103; Fax: 503-325-9216; Questions? Phone: 503-325-8098.
